## **Every.One.Counts.**

It's that simple, Georgia. Whether you moved here yesterday or yesteryear, you count. Brand new to this world or gently used, we all count.

And together, we call Georgia home, and we need to make sure it's rightfully represented. Because in the end, it comes down to money.

More people means more federal funds to feed children, save newborns, cure diseases, support schools and be accurately represented in government. So we need to work together on this Georgia, because **Every.One.Counts.**
